CONGRATULATIONS ON YOUR NEW BABY!

At MMC, we want to make this time as stress free and joyful for you as possible. We understand that dealing with insurance companies and policies, and other finances can add additional stress. Whether you have private insurance, state funding or no coverage at all, please be assured that Memorial Medical Center will be happy to assist you in any way we can.

Private Health Insurance

If you have private health insurance, newborn babies are usually eligible for coverage under your hospitalization policy, but only if they are added to your policy within 30 days of birth. It is your responsibility to contact your insurance carrier to add/enroll your child.

Medicaid or Medicaid Related Insurance

If you are covered by Medicaid or Medicaid related insurance, you must add your newborn to your Medicaid case. To do this, please contact your Medicaid case worker as soon as possible.

No Insurance/Inability to Pay

If you do not have insurance or are unable to make payment in full, please inform MMC's Social Services dept. during your stay (ext. 5398) or contact our Patient Financial Services office and speak to one of our specialists. Our offices are open M-F, 7 am to 5 pm, 715-685-5500.
