

Investing in Caregivers

Memorial Medical Center (MMC) and Partners of MMC are proud to offer scholarships to high school seniors.

The **Bill Sloan Future Caregiver Scholarship** will be awarded to graduating high school seniors from northern Wisconsin who are planning on a degree in a healthcare field. The Bill Sloan Future Caregiver Scholarship is a \$1250 award and will be distributed directly to the recipient's designated school of higher learning.

Although these scholarships do not require employment upon graduation, we do request that applicants have a keen interest in a medical field and an honest ambition to work in healthcare upon graduation.

We also offer the **Howard V. Sandin Healthcare Fellowship** to interested individuals *who have already been accepted into a healthcare degree program*. This scholarship is based on the individual's ability and commitment to work at MMC for one year.
