

Our primary concern is the safety of our patients, visitors and staff. Thank you for following these guidelines for the duration of your visit at MMC.

**Wash your hands often. It is your best protection.**

Use soap and water. Wash for at least 20 seconds. Wash your hands right away if you touch any surface.

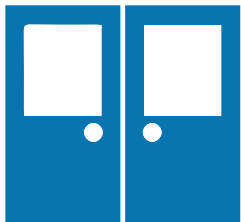

**Avoid close contact with patients & staff.**

Keep a 6 foot distance between you and other people whenever possible.

**Wear a face mask.**

All visitors will wear a face mask or cloth face covering at all times while in the facility.

**Only visit the patient room.**

Do not go to other locations in the facility. Room service is available. Please ask a staff member for details.

**Only one visitor is allowed per the duration of the patient's stay or procedure.**

Visitor entry into MMC will be once daily.
